Contact us to schedule your training today. Click [HERE](#) to email our Fredericksburg Regional Program Director to schedule your training

The Restorative Practices in Education Training provides learning and guided development of a whole school plan to bring the philosophy and principles of Restorative Practices to a school.

Multiple sessions include trainings led by skilled and trained Rappahannock Area Office on Youth Restorative Practices Facilitators.

Session topics include the philosophy and principles of Restorative Practices, the Tiers of Restorative Practice, and Restorative Dialogue with students, parents and staff.

RAOOY Facilitators work alongside and guide the Restorative Practice team in development of the whole school plan and establish a workable and reasonable timeline.
